Time	Course/Topic	Description
50 minutes 2:00 – 2:50pm	340B Basics	In this introductory topic, we'll explore the 340B Program's beginnings and basic compliance requirements and introduce the terminology that will be used for the remainder of the workshop.
<i>10 minutes</i>	<i>Break</i>	
50 minutes 3:00 – 3:50pm	Contract Pharmacy	Beyond the basics: We'll examine contract pharmacy relationships in detail, including their benefits and pitfalls. This discussion will also include recent manufacturer actions and methods to mitigate the impact on your covered entity and your patients.
1 hour, 10 minutes 3:50 – 5:00pm	Entity Owned Pharmacy & PAP	This session will explore the world of CHC-owned pharmacies, including specific compliance concerns and contracting issues. Additionally, best practices on pharmacy operations will be discussed to empower your covered entity (CE) to strive for success in your pharmacy. This session will also briefly highlight Patient Assistance Programs.
Saturday, October 26, 2024		
1 hour 9:00 – 10:00am	HRSA Audits & Common Missteps	This session will review recent HRSA audit findings and discuss common compliance issues. We'll offer key takeaways that you can review in your Program today to see if you're on the right track for compliance and discuss appropriate oversight activities health centers should conduct.
<i>10 minutes</i>	<i>Break</i>	
1 hour 10:10 – 11:10am	Navigating Manufacturer Restrictions & Other Hot Topics	This session will highlight current hot topics in the 340B regulatory and policy landscape (legislation being considered, relevant court cases, manufacturer actions, drug pricing changes, etc.). Additionally, we will review the current manufacturer restrictions on the use of contract pharmacy and discuss any available options to mitigate that impact.
50 minutes 11:10am – 12:00pm	Peer-to-Peer Roundtable Discussion	This will be a facilitated discussion with attendees about compliance and operational challenges faced specifically by community health centers, along with peer perspectives on practical solutions to the challenges.
